The new monthly CARE awards are aimed at celebrating those individuals and teams who have made a real difference to the way we work and the care of our patients. Regardless of where you work or volunteer in the Trust, if one of your colleagues or your team is achieving great things then these awards are for you.

These awards are open to both volunteers and staff working behind the scenes, those in support functions or non-clinical roles and to those who work on the front line. Nominations can be made either for an outstanding individual or for a team who have made a special contribution.

Staff and volunteers can be nominated by their colleagues, patients and visitors.

Nominate using this leaflet or via Trust websites. As part of the nomination we would like to know how you think the person or team has excelled. Think about our Trust values which are: put patients first; take pride in what we do; respect others; strive to be the best and act with integrity. Describe their personal and professional commitment and contribution to the team, department, service etc. Highlight the benefits their efforts have brought to the Trust. For any assistance, contact Nicki Bickford on 020 7188 8021 or email [nicki.bickford@gstt.nhs.uk](mailto:nicki.bickford@gstt.nhs.uk).

A judging panel will review all nominations on a monthly basis and choose both an individual and team award. The winners will be announced on the Trust websites and presented with their award by the Chief Executive. Winners of the monthly award will then be put forward for the annual CARE award which will be announced at the next Trust Awards ceremony

This is a rolling monthly award scheme, simply fill the form in, and your nominated team or individual will be entered for that month's award.
