

## **Restricted access to Evelina Children's Hospital, 3<sup>rd</sup> – 6<sup>th</sup> May 2013**

We will be erecting a tower crane next to East Wing over the weekend of Friday 3<sup>rd</sup> May to Monday 6<sup>th</sup> May 2013 as part of the East Wing recladding project. The lifting operations will begin at 6pm on 3<sup>rd</sup> May and be completed by 6am on 6<sup>th</sup> May.

### **What impact will this have on access to the Evelina Children's Hospital?**

- **There will be no access to the Evelina Children's Hospital from Lambeth Place Road from 6pm Friday 3<sup>rd</sup> May through 6am Monday 6<sup>th</sup> May 2013.**
- **There will be no vehicle parking, cycle parking or pedestrian drop off in front of the Evelina Children's Hospital during this time.**
- **Access for ambulances and patient transport vehicles will be via Accident & Emergency and general vehicles will be redirected to the main entrance car park.**
- **Disabled parking will be made available in the main entrance car park. Cyclists should use the cycle store under Gassiot House.**
- **Pedestrians wishing to reach the Evelina Children's Hospital from Lambeth Palace Road will be redirected via the Accident and Emergency entrance, which is open from 6am to 10pm and the main entrance, which is open 24 hours a day.**
- **Pedestrian access between the Evelina Children's Hospital and South Wing will be maintained at all times and traffic marshals will be on site to help direct you.**
- **Please see map on reverse side of leaflet to locate the main entrance and Accident & Emergency via Lambeth Palace Road.**
- **24 hour security contact for assistance / directions – 020 7188 6622.**

### **What is the East Wing recladding project?**

Between April 2013 and August 2014 we are carrying out a full external refurbishment of East Wing. The work is essential to repair and weather-proof the building, and will add an additional external glazed façade to the existing structure, including two new full-height atria, one of which will incorporate two dedicated bed lifts. Work will be completed in August 2014.
