

Susana Morley's publications

Book chapters:

1. Morley AM, Malhotra R. Chapter 16- Non-surgical volume enhancement with fillers to the orbit. *Essentials in Ophthalmology- Oculoplastic and Orbit- 3rd edition (in press)*. Eds: Katowitz J, Guthoff. Published 2009.
2. Spalton DJ, Holder GE, Morley AM. Chapter 1- Methods of ocular examination. *Atlas of Ophthalmology- 3rd edition*. Eds: Spalton DJ, Hitchings RA, Hunter PA. Published 2005. ISBN 0-3230-3656-2

Peer review publications:

1. Konstantopoulou K, Dell' Omo R, Bunce C, Morley AM et al. A comparative study between clinical grading of anterior chamber flare and flare reading using the Kowa laser flare meter. *In press: BJO*.
2. Shunmugam M, Cahn E, O'Brart D, Moonim MT, Stanford MR, Morley AM. Cutaneous gamma-delta T-cell lymphoma with bilateral ocular and adnexal involvement. *Arch Ophthalmol*. 2011 Oct;129(10):1379-81.
3. Morley AM, O'Sullivan E, Thaung C, Malhotra R. Sarcoid-related dacryoadenitis following treatment with interferon alpha and ribavirin for hepatitis C. *Orbit*. 2011 Jan;30(1):27-9.
4. Shunmugam M, Morley AM, Graham E, D'Cruz D, O'Sullivan E, Malhotra R. Primary Wegener's granulomatosis of the orbital apex with initial optic nerve infiltration. *Orbit*. 2011 Jan;30(1):24-6.
5. Morley AM, Malhotra R. The use of hyaluronic acid filler (Perlane) for tear trough rejuvenation; an alternative to lower eyelid surgery. *Ophth Plast Reconstr Surg*; 2011 Mar-Apr;27(2):69-73.
6. Morley AM, Malhotra R. Non-surgical contouring of the peri-orbital region. *Eye News*. 2010. Jun/Jul;17(1):34-39.
7. Patel V, Osborne R, Morley AM, Malhotra R. The use of pericranial flaps for reconstruction and elevation of the lower eyelid. *Orbit*; 2010 Feb;29(1):1-6.
8. Morley AM, de Sousa JL, Selva D, Malhotra R. Techniques of upper eyelid reconstruction. *Surv Ophthalmol*; 2010 May-Jun;55(3):256-71.
9. Morley AM, Jazayeri F, Ali S, Malhotra R. Factors prompting sneezing in intravenously sedated patients receiving local anesthetic injections to the eyelids. *Ophthalmology*; 2010 May;117 (5):1032-6.

10. Morley AM, Collyer J, Malhotra R. Use of an image-guided navigation system for insertion of a Lester-Jones tube in a patient with disturbed orbito-nasal anatomy. *Orbit*. 2009 Dec;28(6):439-441.
11. Morley AM, Malhotra R. Subconjunctival prolapsed of the palpebral lobe of the lacrimal gland occurring in association with occult orbital fat herniation. *Orbit*. 2009 Dec;28(6):430-432.
12. Morley AM, Verity DH, Meligonis G, Rose GE. Orbital plasmablastic lymphoma: comparison of a newly reported orbital lymphoma with diffuse large B cell lymphoma of the orbit. *Orbit*. 2009 Dec;28(6):425-429.
13. Patel V, Morley AM, Malhotra R. Features and management of an acute allergic response to acrylic ocular prostheses. *Orbit*. 2009 Dec;28(6):339-341.
14. Morley AM, Taban R, Malhotra R, Goldberg RA. The use of hyaluronic acid gel for upper eyelid filling and contouring. *Ophth Plast Reconstr Surg*. 2009 Nov/Dec;25(6):440-444.
15. Jackson TL, Hussain AA, Morley AM et al. Scleral hydraulic conductivity and macromolecular diffusion in patients with uveal effusion syndrome. *Invest Ophthalmol Vis Sci*. 2008 Nov;49(11):5033-40.
16. Morley AM. Pott's puffy tumour: a rare but sinister cause of periorbital oedema in a child. *Eye* 2009 Apr;23(4):990-1.
17. Morley AM, Tumuluri K, Meligonis G, Collin JR. Myopathic ptosis following posterior sub-Tenon's triamcinolone acetonide injection. *Eye* 2009 Mar;23(3):741-2.
18. Rajendran R, Bunce C, Lee RWJ, Morley AM. Orbital radiotherapy for adult thyroid eye disease. (Protocol). *Cochrane database of Systematic Reviews, Issue 2*. Art. No.: CD007114. DOI:10.1002/14651858.
19. Morley A, Seyedian M, Tuft S. Scleral collapse following cataract extraction in vitrectomised eyes: a report of three cases. *Acta Ophthalmol Scand*. 2007 Jun;85(4):463-4.
20. Morley AM, Pavesio C. Surgically induced necrotising scleritis following pars plana vitrectomy without scleral buckling: a series of three cases. *Eye* 2008 Jan;22(1):162-4.
21. Morley AM, Tuft SJ. *Rothia dentocariosa* isolated from a corneal ulcer. *Cornea* 2006 Oct;25(9):118-9.
22. Jackson TL, Hodgetts A, Morley AM et al. Human scleral hydraulic conductivity: age-related changes, topographical variation, and potential scleral outflow facility. *Invest Ophthalmol Vis Sci*. 2006 Nov; 47(11): 4942-6.

23. Morley AM, Murdoch IE. Perspective: The future of glaucoma clinics. *Br J Ophthalmol* 2006 May; 90(5): 640-5.
24. O'Brart DP, Rowlands E, Islam N, Noury AM. A randomised, prospective study comparing trabeculectomy augmented with antimetabolites with a viscocanalostomy technique for the management of open angle glaucoma uncontrolled by medical therapy. *Br J Ophthalmol* 2002 Jul; 86(7): 748-54.
