Textbook

Laparoscopic Surgery in Gynaecology (Authors- S Mehra; M Hotchandani; G Mehra. (Delhi Gynaecological Endoscopist Society Publication)

Conference contributions

“Role of Sentinel Lymph node detection in cervical cancer” (Oral Presentation), , *RCOGNZ-AICC Scientific Meeting- “Path changing advances in Obstetrics & Gynaecology”*, New Delhi, September 2012.

“Sentinel Lymph node detection in Vulval Cancer” (Oral Presentation), *All India Congress of Obstetricians & Gynaecologists*, Varanasi, India, February 2012.

“Magnetic Resonance Imaging (MRI) assessment in grade-2 endometrial cancers” (Poster Presentation), *BGCS Autumn Scientific Meeting*, Birmingham, November 2011.

“Surgical morbidity in Gynaecological Oncology” (Poster Presentation), *BGCS Autumn Scientific Meeting*, Birmingham, November 2011.

“Sentinel Lymph node detection in Vulvar Carcinoma” (Poster Presentation) – *BGCS*, Cardiff, June 2011.

“Sentinel lymph node detection in Cervical Carcinoma-Maidstone experience” (Poster Presentation) – *BGCS*, Cardiff, June 2011.

“Sentinel Lymph node detection in vulval carcinoma- experience of a cancer centre in the UK” (Poster presentation) – *Best Poster Prize, *IGCS Regional Meeting*, New Delhi, India, April 2011.

“Sentinel lymph node detection in cervical cancers: “Where is the node?”” (Oral Presentation), *13th Biennial meeting of the IGCS*, Prague, October 2010.

“Applications of Intra-operative frozen Sections (IOFS) in the management of endometrial cancers” (Poster Presentation), *13th Biennial meeting of the IGCS*, Prague, October 2010.

“Robotic assisted radical Hysterectomy for cervical cancer” (Poster Presentation) *13th Biennial meeting of the IGCS*, Prague, October 2010.

“Case Controlled Study of Open, Laparoscopic and Robotic Assisted Hysterectomy, Bilateral Salpingo-Oophorectomy and Pelvic Lymphadenectomy in Patients with Endometrial Cancer” (Poster Presentation) *13th Biennial meeting of the IGCS*, Prague, October 2010.

“Prospective Study of Analgesia Requirement after Robotic Hysterectomy: Preliminary results” (Poster Presentation) *13th Biennial meeting of the IGCS*, Prague, October 2010.

“Effect of Position changes on ventilation during Robotic Hysterectomy” (Poster Presentation) *13th Biennial meeting of the IGCS*, Prague, October 2010.

S. Raju, G. Mehra, "Robotic Surgery in Gynaecological Oncology" (Oral Presentation), *IIIrd Annual Scientific meeting of the "Delhi Gynaecological Endoscopic Society"*, All India Institute of Medical Sciences, New Delhi, India, April 2010.

"Laparoscopic assisted radical vaginal hysterectomy for cervical carcinoma" (Oral Presentation), *XIX FIGO World Congress of Gynecology and Obstetrics*, Cape Town. October 2009.

"Robotic Surgery in Gynaecological Oncology" (Oral Presentation), *Regional Meeting*, Maidstone & Tunbridge Wells NHS Trust, May 2010.

"Laparoscopic Hysterectomy: The Past, Present & the Future" (*Oration Award) *Second Annual Conference of Delhi Gynaecological Endoscopists Society*, New Delhi, India, April 2008.

"Multicentre Randomised controlled trial for Mesh versus Anterior Repair Surgery for vaginal prolapse" (MARS Trial), *International Pelvic Floor Surgery Masterclass*, Benenden Hospital, October 2007.

"101 laparoscopic hysterectomy performed by Integrated Pathway" (Oral Presentation), *The British International Congress of Obstetrics & Gynaecology*, London, July 2007.

"Laparoscopic Assisted Radical Vaginal Surgery: Morbidity & Long-Term Follow-up" (Oral Presentation), *The British International Congress of Obstetrics & Gynaecology*, London, July 2007.

"Laparoscopic Retroperitoneal Para-aortic Lymphadenectomy" (Oral Presentation) at *The International Scientific Meeting of Delhi Gynaecological Endoscopic Society (DGES)*, New Delhi, India, April 2007.

"Complications in 2328 cases of Laparoscopic Hysterectomy- A fourteen years experience" (ORAL Presentation) *XVIII FIGO World Congress*, Kuala Lumpur, Nov 2006.

"Laparoscopic Hysterectomy: An extended day case integrated pathway. (Oral Presentation), *European Society of Gynaecological Endoscopists (ESGE) Annual Congress*, Strasbourg, France, October 2006.

"Laparoscopic Extraperitoneal Paraaortic lymphadenectomy: Applications of a novel approach" (Oral Presentation), *International Congress on Gynaecological & General Endoscopic Surgery* (British Society of Gynaecological Endoscopy), Glasgow, June 2003.

"Laparoscopic Retroperitoneal Paraaortic lymphadenectomy" (Poster Presentation), *32nd annual meeting of "American Association of Gynecologic Laparoscopists (AAGL)"* Miami, Florida, USA, November 2002.

"Laparoscopic management of cervical cancers" (Poster Presentation), *Joint RCOG/AICC Meeting*, RCOG, London, July 2003.

"Resistant Tubal Choriocarcinoma" (ORAL Presentation), *Annual scientific meeting of the Association of Obstetricians & Gynaecologists of Delhi (AOGD)*, February 1997.
