

Mr Alastair MacKenzie Ross's publications

MacKenzie Ross A.D., Haydu L.E., Stretch J.R., Scolyer R.A., Thompson J.F.
Local Recurrence in Thin Primary Cutaneous Melanoma: A Case-Control Study

Journal der Deutschen Dermatologischen Gesellschaft 2013; 11(s7): 54

MacKenzie Ross A.D., Cook M.G., Chong H., Hossain M., Pandha H.S., Bennett D.C.

Senescence evasion in melanoma progression: uncoupling of DNA-damage signaling from p53 activation and p21 expression

Pigment Cell and Melanoma Research 2013; 26(2): 226-235

MacKenzie Ross A.D., Kumar P., Challacombe B.J., DasGupta P., Geh J.L.C.

The addition of the surgical robot to skin cancer management. Annals of the Royal College of Surgeons 2013; 95(1): 70-72

Tang L., MacKenzie Ross A.D., Nduka C.

The Cake Flap: A new technique for serial excision of benign cutaneous lesions.

Journal of Plastic, Reconstructive and Aesthetic Surgery 2011; 64(9): 1194-6

Soo J.K., MacKenzie Ross A.D., Kallenberg D.M., Milagre D., Chong H., Chow J., Hill L., Hoare S., Collinson R.S., Keith W.N., Marais R., Bennett D.C.

Malignancy without immortality? Evidence for cellular immortalization as a late event in melanoma progression. Melanoma and Pigment Cell Research 2011; 24(3): 490-503

Soo J.K., MacKenzie Ross A.D., Bennett D.C.

Isolation and culture of melanoma and naevus cells and cell lines.

In: Cancer Cell Culture: Methods and Protocols, 2nd ed., editor I.A. Cree

Methods in Molecular Biology 731, Springer, New York, USA. 2011
