

Lewisham community learning disability health team

Physiotherapy service

An easy read guide

How can the physiotherapy team help me?

We can help you if you have a problem walking.

We can help you sit comfortably or help you to get a special chair.

We can help you to get a wheelchair.

We can help you to lie down comfortably.

We can support you at orthotic appointments.

We can also help you with your appointments

Please tell us if you have an appointment at any of these clinics:

- Orthopaedic clinic
- Neurology clinic
- Orthotic clinic

We can help you to prepare for these appointments and answer your questions.

What if my wheelchair needs to be fixed?

If your wheelchair needs to be fixed, you do not have to wait to see the physiotherapy team.

Instead, you can contact:

Guy's and St Thomas' Wheelchair Maintenance Service on 020 3299 7690.

Other helpful information

You can call the Lewisham physiotherapy team on **020 3228 9620**.

If you prefer, you can ask a friend, carer, or health professional to call the team for you.
