How to use this map

Welcome to our Cancer Centre.

The building is divided into individual Villages, not traditional floors. Use the Main Lifts to go to the arrival level of each Village. Use the Village Lifts and Stairs to go between the levels of each Village.

On arrival, all patients should report to the main Self Check-in which is located in the Welcome Village on the ground floor.

- Main Lifts (take to arrival level of each Village)
- Village Lifts (take between levels of each Village)
- Check-in
- Café
- Toilets (available on every level)
- Terraces (open to all)
