Speech and language therapy

**Southwark, Lambeth and Lewisham
community learning disability health team**

?

The speech and language therapy team can help if you find it hard to

- understand things

?

- tell other people things

We can also help if you have problems with eating, drinking and swallowing.

How we can help you

We can find out what you understand and what is harder for you to understand.

We can help you tell things to other people.

We can help you understand what other people tell you.

We can help you with your eating and drinking if you have chewing or swallowing problems.

We can help you eat and drink more safely.

What we can teach your family or carer

We can teach your family or carer how to help you

- understand things

- communicate and tell people what you want

- eat and drink more safely and enjoy your food and drink
