Your first appointment to check your teeth

Dental sedation and special care department

You take lift A to floor 26 of Tower Wing at Guy's Hospital.

You give your hospital letter to the person at the reception desk.

You sit in the waiting area until you are called.

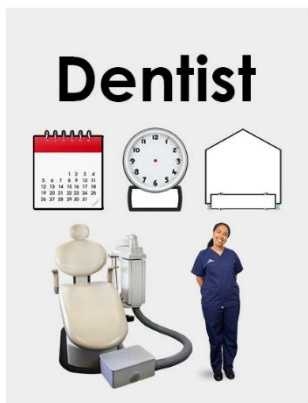

Then you sit in the dental chair.

The dentist looks at your teeth.

When the dentist has checked your teeth, you can leave the hospital.

You return to the hospital another time if you need treatment on your teeth.
