Notes

Fill rates are published on NHS choices website, with the exception of Emergency Medical Unit

Wards with HDU are shown as a single ward (eg Luke HDU is included within Luke)

Specialty labels for wards are based on the main specialty associated with patients discharged from the ward
This means that treatment specialties commonly used in the Trust (eg 107 - Vascular Surgery) are not available as options. 100 - General Surgery would be used instead
If 80% or more of a ward's patients are for a single specialty only one is shown
