

Aylesbury Health Centre – Borough, Walworth and Southwark

Manager : Ayo Ajibade ayo.ajibade@gstt.nhs.uk

As the health centre manager I am passionate about improving patient experience, providing an enabling environment for staff to ensure that the highest possible evidenced based care is provided at all times. Making sure we get it right all the time and learning from all mistakes when it happens.

I put patients at the centre of all actions and I work in partnership with others.
