

Gracefield Gardens Health Centre – southwest locality, Lambeth

Manager: Ridwan Soopee ridwan.soopee@gstt.nhs.uk

I have over 20 years' nursing experience working in both acute and community settings. I am passionate about the desire to truly make a difference to the staff I manage and to those patients under our care, ensuring that their safety is maintained at all times.

I want all patients and families to experience and have the confidence in the staff caring for them in a compassionate and supportive environment. One which embraces and advances professional nursing practice, education, leadership and research.
