

Dr Eleanor Higgins' publications

1. Psoriasis. **E Higgins**. Medicine 2017.
2. A randomised half body prospective study of low and medium dose regimens using the 308nm excimer laser in the treatment of localised psoriasis. **Higgins E** et al. Journal of Dermatological Treatment – 2017 Feb;28(1):8-13.
3. Hypercalcaemia-induced kidney injury caused by the vitamin D analogue calcitriol for psoriasis: a note of caution when prescribing topical treatment Corden E, **Higgins E**, Smith C. Clin Exp Dermatol. 2016 Dec;41(8):899-901. PMID: 27761927
4. The Sweetest Specialty. **Higgins E**, Sebaratnam DF. JAMA Dermatol. 2015 Dec 1;151(12):1337. PMID: 26650659
5. Use of ruxolitinib to successfully treat chronic mucocutaneous candidiasis caused by gain-of-function signal transducer and activator of transcription 1 (STAT1) mutation. **Higgins E**, Al Shehri T, McAleer MA, Conlon N, Feighery C, Lilić D, Irvine AD. J Allergy Clin Immunol. 2015 Feb;135(2):551-553.
6. The use of transient elastography and fibrotest for monitoring hepatotoxicity in patients receiving methotrexate for psoriasis. Lynch M, **Higgins E**, McCormick PA, Kirby B, Nolan N, Rogers S, Lally A, Vellinga A, Omar H, Collins P. JAMA Dermatol. 2014 Aug;150(8):856-62.
7. Resolution of the plantar hyperkeratosis of pachyonychia congenita during chemotherapy for Ewing's sarcoma. **Higgins E**, Capra M, Mary E. Schwartz, Smith FJD, McLean WHI, Irvine AD. British Journal of Dermatology 2013 Dec;169(6):1357-60.
8. The Relevance of 7-Day Patch Test Reading. **Higgins E**, Collins P. Dermatitis (American Journal of Contact Dermatitis) 2013 Sep-Oct;24(5):237-40.
9. Methylchloroisothiazolinone and methylisothiazolinone allergic contact dermatitis and the effect of patch test concentration. **Higgins E**, Kirby B, Rogers S, Collins P. Dermatitis (American Journal of Contact Dermatitis) 2013 Mar-Apr;24(2):73-6.
10. Urticarial allergic contact dermatitis caused by UV-cured printing ink. **Higgins E**, Collins P. Contact Dermatitis. 2012 Jun;66(6):340-1.

11. Recurrent bullous erythema multiforme treated with topical tacrolimus 0.1% ointment. **Higgins E**, Collins P. British Journal of Dermatology. 2011 Apr; 164(4): 884-6.
12. Disseminated parapox (orf) in a thirteen-year-old boy with atopic dermatitis following acupuncture.
Higgins E, Bennett M, Murphy A, Markham T. Clinical and Experimental Dermatology 2011 Oct;36(7):809-11. PMID 21507044
